*"If we are hurting, and most of us do from time to time, we learn to ask for help. We find that pain shared is pain lessened. Members of the Fellowship are willing to help a relapser recover and have insight and useful suggestions to offer when asked. Recovery found in Narcotics Anonymous must come from within, and no one stays clean for anyone but themselves"*

# Meeting List

## Spring 2018

*“Closed NA meetings are only for addicts or those who think they might have a drug problem. Closed meetings provide an atmosphere in which addicts can feel more certain that those attending will be able to identify with them. Newcomers may feel more comfortable at a closed meeting for the same reason.”*

**The Group Booklet**

*“Open NA meetings are just that—open to anyone who wants to attend.”*
